Subject: RE: Letter from the American Chemistry Council regarding lack of IRIS Program responsiveness to public comments
Attachments: Response to ACC letter_public comments_10-19-16 (slimak's comments).docx

Thanks for the draft. I have some comments that you'll find in the attachment. Rather than an email exchange, perhaps a short call?

Subject: Letter from the American Chemistry Council regarding lack of IRIS Program responsiveness to public comments

Hi Mike,

We've drafted a response to ACC regarding their remarks on the IRIS Program's lack of responsiveness to public comments. Huge thanks to Gina for writing the response...Mary, Lou, and I weighed in and the latest version is attached here. The original ACC letter is also attached.

Thanks,
Samantha

Subject: RE: Letter from the American Chemistry Council

Hi Nathan,

Just talked here. Let's make Mike the signatory for now. I'll make sure Salina's on the look out for this one to pop up in CMS. Thanks!

So Mike or Vince would be signing the letter?

Nathan,

Can you put this through CMS? Sorry, I dropped the ball on that. We talked today about delegating it to NCEA – either from Vince or from Mike. They are already working on a draft so will hopefully be quick turnaround.

Thanks,

Maureen
